

We're on the move!

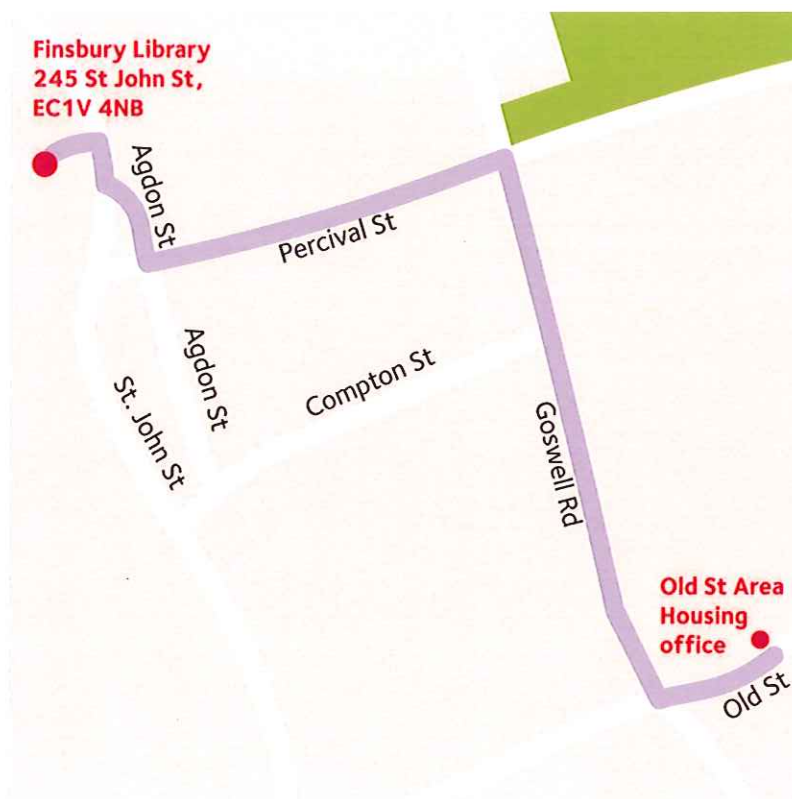

From Monday 26 October we'll be at 245 St John St – also home to Finsbury Library.

It will be business as usual here until Friday, 23 October when we will offer a reduced service to allow for the move.

We will offer an appointments-only service from our new office. Please call us on 020 7527 6250 to make a booking.

You can still pay your rent, report a repair or pay your services online.

We hope you will also enjoy the free WIFI, PCs, books, CDs, DVDs, local history and adult learning services available from the library when you visit us.
